

Exercise Sheet - Illustrations

Illustration examples

Think of an illustration, metaphor, example or story to help explain or support one of these points.

Why it's important to wear a crash helmet on a bicycle

Not giving up when you really want to achieve something

Why we should talk clearly when doing public speaking

The need to treat others with respect

The need for standards of quality in the factory

Why it's important to wash hands before handling food

Why we need to have self belief when public speaking

How we need to update our skills in the workplace

How cultural differences can lead to misunderstanding

Why driving a car abroad can be difficult

Why training should be split into smallish chunks
